DRONE SIMULATOR

-In partnership with Dhaksha Drones

MARCH 16- MARCH 17

Introduction:

The Drone simulator event mainly focuses on giving the participant a hands-on experience of the drone's controls in a simulated environment. This event will be fun for the participants as well as a platform to show off their skills in drone control.

Description:

The event will be conducted in a single premise where each participant will get a chance to experience the simulation. There will be a briefing before the event and constant support and help will be provided throughout your simulated flight experience.

REGISTRATION FEE: INR 179 /-
