FEBRUARY 28,2020

DAY 1 EVENTS:

TECHNICAL QUIZ EVENT

Event description

“If you know how to find the centre of gravity of penrose stairs, then this quizzical platform is yours”

This quiz competition is a pursuit of technical knowledge and actually tests the students retention and accumulation of knowledge towards application of concepts. It would be greatly helpful in acknowledging their position on their journey to technical excellence.

Event format

Preliminary screening round:

This round is aimed to screen the minimum number of teams possible for the next Quiz masters round.

- A question paper consisting of 50 questions will be given to each team of the Technical Quiz event.
- Each question carries 1 mark
- The questions can be from basic mechanics, thermodynamics, and from a few technical (Aerospace/Aeronautical) courses.
- There is no negative marking in this round.
- The time duration for this round is 40 minutes.
- The number of teams to be selected for the next round depends on the decision of the selection crew.

Ultimate quiz master round:

This event is aimed at verdict out the best team and the quiz masters. The team which scores highest point will be the winner.

Rules

- Participants are required to produce college ID without fail.
- Maximum of three per team(Individual participation is allowed)
- Electronic gadgets such as mobile phones, pagers, tabs, laptops, etc., should not be used in the Competition.
- Judges decision will be final.
